The Election.

The election held Tuesday was the quietest we ever saw, and resulted upon the whole, a decided victory for the Democrats. Hopkins won by 25,000 majority. Ten Democrats are elected to Congress from Kentucky, and all the Appellate Judges elected are Democrats. In Powell county the Democrats just spread themselves, and carried the county by 187. Clay City went Democratic by 56. Our neighboring county, Estill, gave a Republican majority of 250.

Letter From Bro. Clay.

Lebanon, I. T., Oct. 29, 1902.
Mr. John E. Burgher,
Clay City, Ky.

Dear Sir:—Our Conference adjourned the night of the 27. I was changed from Lebanon to Lone Grove, eight miles west of Ardmore, a city of 10,000, on a new railroad that is in building. Will move the first of next week. We are both reasonable well,

and are enjoying our stay in the Territory. We have had a very hard drought in this section this year. Kentucky dry spells are not in it at all when it comes to comparison. One-fourth of a crop of corn and one-third crop cotton. Yet, with all, I've received the best salary of my Conference life, and four-fifths of the people live in pole cabins with stick chimneys.

While I have many friends here, together with the best parsonage and church building in the district, I am looking forward to my new place as being more satisfactory even than this.

Regards to all the friends of Powell and Estill.

Fraternally,
Chas. W. Clay.

K. V. M. A. Meets.

The Fifteenth semi-annual session of the Kentucky Valley Medical Association convened at Beattyville, Thursday and held what was pronounced by those

in attendance one of the best meetings of its history. Dr. E. Kelly, of Hazard, was elected President and Dr. B. Littlepage Secretary.

At this meeting several valuable presents were awarded to various members. Among them was a gold medal awarded to Dr. Littlepage in honor of his fidelity to the Association. He also won another valuable prize.

There were thirty-two doctors present and several new members were added. Several of the members had their wives with them, and all enjoyed themselves well.

The next meeting of the Association will be held at Torrent some time in June.

Cobb Hill.

Rev. Amos R. Williams is on the sick list this week.

Mr. James R. Hall and family spent Sunday in our town.

Marah, the little daughter of J. S. Watson, has been quite sick for the past week.

Miss Mayme Grass has been quite sick for the past week and is no better at this writing.

Mr. and Mrs. J. W. Smyth visited their daughter, Mrs. Allen Boyd, of South Fork, Powell county, Sunday.

One of the walking saloons that visited our town a few Sundays ago, has been arrested and lodged in Irvine jail. There is where all such characters should be.

Mr. Henry P. Trimble and Miss Nannie Chanie were married Oct. 29, at the home of the bride's father, Isaac Chanie, J. W. Hall, Esq. officiating. We wish them a long and happy life, and trust that their life may be one of pleasure.

E. F. Marlow, manager of the Irvine Stave Co., of Irvine, has been bucking staves near this vicinity for the past four months. He has completed his work and has moved his bucking back to Irvine where he will buck staves this winter.

Death entered the home of Mr. and Mrs. Matt Abney Nov. 27, and took from their loving care their little ten year-old boy, Eddie, after an illness of three days. We are glad to know that there is one superior to us in that home above who knows best, and has only called him from his earthly home to his heavenly home where there will be no parting, but all is joy and happiness. We extend our greatest sympathy to the bereaved family.

"Not Known."

Startling, But True.

If any one knew what a grand

medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempseytown, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for consumption, stomach and liver trouble. 25c at Swann-Day Lbr. Co.

A Fatal Accident.

Sunday afternoon Willie Jones, a young man living near Pilot View, returning to the house with a small rifle, twenty-two caliber in his hand with which he had been shooting sparrows. As he entered the house the weapon was discharged, the bullet entering the bowels of Miss Laura Williams, aged 19 years, who was sitting near by.

Drs Geo. Clark, B. F. Johnson and I. A. Shirley were summoned and performed a surgical operation for her relief. It was found that the intestines had been perforated ten times. She did not recover from the shock and died that night.—Winchester Democrat.

Luck in Thirteen.

By sending 13 miles Wm. Spirey, of Walton Furnace, Va., got a box of Bucklen's Arnica Salve, that wholly cured a horrible Fever Sore on his leg. Nothing else could. Positively cures Bruises, Felons, Ulcers, Eruptions, Boils, Burns, Corns and Piles. Only 25c. Guaranteed by Swann-Day Lbr. Co.

How few of us are our own bosses. The married men are subjects of their wives, the bachelors to their sweethearts, the old maids cater to their cats and poodles, while all of us bow to that weak thing called public opinion. We come into this world without our consent; we leave it with a protest, and while here we kick at everything that crosses our path, but all to no purpose. The old world wags on, not caring whether we live or die, laugh or cry, shout or sigh, not caring a farthing why, till we too turn up our toes and die and may be to freeze or fry.

A Startling Surprise.

Very few could believe in looking at A. T. Hoadley, a healthy, robust blacksmith, of Tilden, Ind., that for ten years he suffered such tortures from Rheumatism as few could endure and live. But a wonderful change followed his taking Electric Bitters. "Two bottles wholly cured me," he writes "and I have not felt a twinge in over a year." They regulate the Kidneys purify the blood and cure Rheumatism, Neuralgia, Nervousness, improve digestion and give perfect health. Try them. Only 50 cts. at Swann Day Lbr. Co.

D. B. Simpson, the sewing machine adjuster. Call on him and have your machine repaired. Leave your orders at Rose's store, Clay City, Ky. 45

Asleep Amid Flames.

Breaking into a blazing home, some firemen lately dragged the sleeping inmates from death. Fancied security, and death near. It's that way when you neglect coughs and colds. Don't do it. Dr. King's New Discovery for Consumption, gives perfect protection against all Throat, Chest and Lung Troubles. Keep it near, and avoid suffering, death, and doctor's bills. A teaspoonful stops a late cough, persistent use the most stubborn. Harmless and nice tasting, it's guaranteed to satisfy by Swann Day Lbr. Co. Price 50c and \$1.00. Trial bottles free.

It is certainly queer how much more disagreeable and peevish the child next door is than your own.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little buddy. The least degree of friction on the bearings alters the motion. Don't take chances. Get me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Death of Miss Eliza Jackson.

Miss Eliza Jackson, daughter of Mr. and Mrs. W. L. Jackson, died at her father's home near Vaughn's Mill, early Wednesday morning of fever. Burial today at Vaughn's Mill Christian church, of which she was a member.

Miss Eliza was nineteen years old and a very estimable young lady.

She leaves a father, mother, two sisters and two brothers and a number of friends in grief and sorrow for her demise so early in life.

"Some years ago while at Martinsburg, W. Va., I was taken with cholera morbus, which was followed by diarrhoea. The doctor's medicine did no good. I was advised to get a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I did, and it cured me sound and well.—A. G. Morris, Emoryville, Pa. Sold by all dealers in patent medicine.

Renben Tipton, who lives two miles south of town, has captured a live bird that is distinctly different from any fowl ever seen in this country. It is some larger than a pigeon, has a beautiful dark gray plumage, has a white bill, red eyes, and very long toes on one side of which extends for about one-fourth inch a web formation. The bird stands very erect, shows signs of gameness and upon the whole, is very beautiful. Mr. Tipton has it caged, and will endeavor to domesticate the bird.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I can recommend it with the utmost confidence. It has done good work for me and will do the same for others. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure.

"I feel it is my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medicines and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—Mrs. HANNAH BARKETT, Springdale, Ark.

"Last winter an infant child of nine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist, of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all dealers in patent medicine.

In three days the child was wearing her shoes as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. DEAF?

ANY
HEAD
NOISES?

ALL CASES OF
DEAFNESS OR HARD HEARING
ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1901.

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,
F. A. WERMAN, 730 B. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.
